EDUCATION

- 2006 Ph.D. in Social Welfare, The Graduate School & University Center, The City University of New York. (*Dissertation: Access to cancer education and screening: A long and difficult journey for Chinese immigrants in New York City*)
- 1989 University of Alabama at Tuscaloosa
Master in Social Work, Master's Scholar Award (GPA. 4.0)
- 1985 Hong Kong Shue Yan University
Diploma in Social Work, Honor Graduate

TRAINING

- 1995-1997 Post Masters Certificate in Social Work Administration
Hunter College School of Social Work
Completed courses in *Case Studies in Agency Management, Personnel Management, Public Policy, Organizational Theory, Management Technology, and Grantsmanship*
- 1995-1996 Post Graduate Program in Social Work Supervision and Training
Hunter College School of Social Work
Completed courses in *Supervision, Group Supervision, Case Studies in Supervision, and Training & Consultation*
- 1992-1994 Family Therapy Weekly Training & Practice
Institute for Family and Community Care/NYC Health and Hospitals Corporation

PROFESSIONAL EXPERIENCES

Academic Positions

- 2022 - **Interim Associate Dean & Professor**
2020 - **Professor**
2014 - 2020 **Associate Professor**
Chair of Social Work Research Sequence and Director of Asian American Social Work Initiative, Touro College Graduate School of Social Work
Courses taught: *Social Work Research, Advanced Social Work Research, Human Behavior in the Social Work Environment III, Clinical Social Work Practice in Health Care, Identity and Social Justice: Implications for Social Work Practice*
- 2007-2014 **Assistant Professor**, Silberman School of Social Work at Hunter College, CUNY
Courses taught: *Human Behavior in the Social Environments I, II, III; Social Work Research I, II; Clinical Social Work Practice in Health Settings; Social Work and Community Health Practice*

- 2007 (Spring) **Instructor**, taught *Human Behavior and Social Environment I*, Distance Learning Program, Hunter College School of Social Work
- 2006 (Fall) **Adjunct Assistant Professor**, taught *Social Work Administration & Human Behavior in Social Environment III*
Hunter College Master in Social Work Program, the City University of New York
- 2004-2005 **Adjunct Lecturer**, taught *Social Work Research I & II*
Hunter College Master in Social Work Program, the City University of New York

Training Faculty

- 2004- 2012 **Faculty & Mentor**, conducted training lectures on *survey design, qualitative research methodology, focus group methodology, and qualitative data analysis* and mentored research trainees, Health Disparity Research Training Program, Charles B. Wang Community Health Center in collaboration with the NYU Center for the Study of Asian American Health. Funding: P60-MD0005-38, National Center for Minority Health and Health Disparities, NIH.

Practice and Evaluation Experience

- 2019 - **Project Evaluator/Curriculum Co-Chair**
Touro College Graduate Schools Opioid and Substance Abuse Workforce Expansion Program, a 3-year project funded by the U.S. Department of Health and Human Services' Human Resources and Services Administration (HRSA); funding amount \$1,338,822.
- Design and complete all project related evaluation activities
 - Lead the development of formal mid-year and end of year reports in addition to the reports required by HRSA.
 - Co-chair the curriculum committee to assist with development of a new elective on Opioid Use Disorder/Substance Use Disorder as well as other training and educational materials
- 2017 - **Project Evaluator**
CHESED Leadership Program, a collaboration between Touro GSSW, the Lander College for Women/The Anna and Mark Hasten School, and UJA-Federation of New York, a fellowship designed to nurture and advance Jewish women leading nonprofit organizations, and/or social service efforts in Brooklyn.
- Design and complete assessment and evaluation activities
- 2017-2018 **Project Evaluator**
Scholarships for Disadvantaged Student Program, Touro GSSW, a multi-year program funded by the U.S. Department of Health and Human Services' Human Resources and Services Administration (HRSA), to recruit, educate, and retain graduate students from disadvantaged backgrounds thereby increasing the number of highly qualified and deeply dedicated social work MSW professionals working in clinical, primary care behavioral/mental health settings in medically underserved communities.
- Led the development of evaluation plan
 - Designed and completed assessment and evaluation activities.

- 2014-2015 **Educational Consultant**
Charles B. Wang Community Health Center/NYU Greenlight Obesity Prevention Project
- Worked with staff to plan several patient and provider focus groups for the Greenlight Obesity Prevention Project
 - Prepared and facilitated focus groups with patients, families, and providers to solicit their feedback and suggestions on a set of Chinese translated booklets with the goal to keep babies healthy and maintain healthy weight.
- 2012-2013 **Evaluation Consultant**
The Child Center of New York
- Worked with staff to identify major program strategies and what specific data to be captured in the Korean School Outreach Program
 - Designed database with intended usability for social workers who will do data entry
 - Conducted staff training on data compilation and data management.
- 2011 **Project Evaluator**
- Worked as a project evaluator for The Child Center of New York on the “Getting Asian-Americans and Pacific-Islanders Services (GAPS)” Project funded by the Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration.
- 2010-2012 **Educational Consultant**
Charles B. Wang Community Health Center, New York City
- Developed a bilingual curriculum and educational resource tools on child development and school readiness
 - Facilitated parent training and skills enhancement events on various issues related to healthy child development and school readiness
 - Provided guidance in identifying and developing effective channels to provide educational information and supportive services to parents/caregivers
- 2008-2011 **Project Evaluator**
- In collaboration with Hamilton Madison House and worked as a project evaluator on a 3-year grant to expand and enhance Asian American substance abuse treatment services funded by the Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration.
- 2007-2008 **Research and Evaluation Associate (Part-time Per-diem)**
Charles B. Wang Community Health Center, New York City
- Served as a consultant to assist with the development, implementation, and evaluation of assigned research projects, and evaluated grant funded projects
- 2006 -2007 **Director of Research and Evaluation**
Charles B. Wang Community Health Center, New York City
- Directed the development, implementation, and evaluation of assigned research projects

- Served as a project evaluator for grant funded projects
- Developed research protocols and monitored research compliance with regard to IRB regulations and established protocols
- Developed presentations of research data and findings
- Provided oversight of research operations and administration
- Developed research policies and procedures for the Center
- Contributed to the development and writing of research proposals for submission to federal, state and city agencies, foundations and other funding sources
- Conducted in-service training and provided mentorship for staff in the areas of research and evaluation
- Convened strategic planning activities to establish core research functions and agenda

2005-2006 **Director of Evaluation**
Charles B. Wang Community Health Center, New York City

2004-2005 **Health Education/Research Project Director**
Charles B Wang Community Health Center, New York City

- Directed community health projects targeting the Asian American communities such as cardiovascular health, diabetes, and tobacco control
- Served as the co-principal investigator for mental health research projects.

2002-2004 **Health Education Special Projects Manager**
Charles B Wang Community Health Center, New York City

1998-2002 **Director of Health Education**
Charles B Wang Community Health Center, New York City

- Directed community health projects targeting the Asian American communities such as hepatitis B awareness campaign, breast health services, HIV, cancer study, anti-smoking campaign, cardiovascular health coalition building, diabetes education, mental health awareness, and directed community outreach activities.
- Led the development of Chinese-American Healthy Heart Coalition and the New York's Asian American and Pacific Islander Tobacco Control Network.
- Supervised the development of educational curricula on parenting skills, mental health care for Chinese elderly and adolescents, diabetes and hepatitis B.
- Directed health education departmental activities and supervised a team of more than ten health education staff.

1999-2000 **Director of Social Work**
Charles B Wang Community Health Center, New York City

1994-1998 **Program Coordinator**
Asian Bicultural Clinic, Gouverneur Hospital, New York City

- Managed and coordinated the operation of the multi-disciplinary mental health team.
- Coordinated the administrative and clinical activities.
- Supervised a team of mental health professionals including psychiatrists and social workers

- Provided psychotherapy and psycho-education to individuals, groups, and families.

- 1991-1994 **Social Worker/Hospitalization Liaison Person**
Asian Bicultural Clinic, Gouverneur Hospital, New York City
- 1990-1991 **Social Worker, Adult Inpatient Unit of Psychiatry**
Bellevue Hospital Center, New York City.
- 1989-1990 **Psychiatric Social Worker**, Asian American Mental Health Services,
Hamilton Madison House, New York City
- 1985-1988 **Residential Social Worker**, Hong Kong Student Aid Society
Hong Kong, China

GRANTS

Recent Grants

- 2018-2019 **Research Collaborator:** “Impacts of Prolonged Parent-Child Separation on the Psychosocial Well-Being of Transnational Chinese Immigrant Children and Families”, led by Dr. Chenyue Zhao from Department of Child and Adolescent Psychiatry, Child Study Center of NYU Langone Health.
- 2013-2014 **Principal Investigator:** “The Effects of Poverty, Parental Immigration Status, and Reverse-Migration Separation on the Developmental Challenges of Young Children in Chinese Immigrant Families”, submitted to PSC-CUNY 44 Research Award (Traditional B); Total Amount Requested: \$5,946.2.
- 2011-2012 **Principal Investigator:** “Reverse-Migration Separation & Successful Reunification among Chinese Immigrant Families – An Exploratory Study”, Funded by the PSC-CUNY 42 Research Award (Traditional B). Funding Amount: \$5,970.
- 2010-2011 **Principal Investigator:** “Gender Role Perception, Physical and Psychological Well-Being, & Health Care Experiences of Low Income Chinese American Women” funded by the PSC- CUNY 41 Research Award. Funding amount: \$1,438.92
- 2010-2011 **Recipient**, Faculty Innovations in Teaching with Technology (FITT) 2010. Funded by Hunter College. Funding amount: \$2,000. The focus of this initiative was to retool a Blackboard site for a practice elective course by incorporating technology to increase student engagement and class participation. The retooled site incorporated rich media elements and included wiki assignments for group projects and blog journal assignments to engage students in online dialogue.
- 2008-2011 **Project Evaluator:** Expand and Enhance Asian American Substance Treatment Services in New York City, led by the Hamilton Madison House; Project Director: May Lai. Funding: Substance Abuse and Mental Health Service Administration (SAMHSA), Subcontract to Hunter College Research Administration, \$60,000 over a 3-year period for evaluation.

Past Research Grants

- 2006-2007 **Principal Investigator:** Assessment of Attitude, Perception, and Barriers towards Mental Health Treatment among Chinese Immigrants in New York City Study; Funding: NYU Center for the Study Asian American Health of NYU School of Medicine, P60-MD0005-38, National Center for Minority Health and Health Disparities, National Institutes of Health. Funding amount: \$150,000
- 2003-2006 **Co-Principal Investigator/Study Director:** Chinese American Depression Care Study, a randomized trial on collaborative care; Lead PI: Henry Chung, MD. Funding: NYU Center for the Study Asian American Health of NYU School of Medicine, P60-MD0005-38, National Center for Minority Health and Health Disparities, National Institutes of Health. Funding amount: \$415,000 over a 3-year period.
- 2004-2005 **Co-Principal Investigator:** Access to Prenatal Care Services for Chinese American Women; Lead PI: Henry Chung, MD. Funding: United Hospital Fund. Funding amount: \$60,000.
- 2002 -2005 **Co-Investigator:** Evaluation of a smoking cessation intervention using an intervention-control study design to assess the effectiveness of culturally competent case-management vs. usual provider care for adult smokers in a community health center;
Investigator and Project Director: Evaluation of a school-based youth tobacco control prevention program in collaboration with Ohio State University School of Public Health and Chinese Progressive Association; Lead PI: Alan Tso, MD. Funding: American Legacy Foundation; Funding amount: \$528,000 for 3 years.
- 2000-2001 **Site Investigator and Project Director:** Preparing the Ground War against Tobacco among Chinese Americans in New York City, a comprehensive tobacco survey; in collaboration with Ohio State University; Lead PI: Moon Chen, Ph.D., MPH. Funding from American Legacy Foundation; Funding amount: \$60,000.
- 2000-2002 **Site Investigator and Project Director:** New York Cancer Project, a large-scale, cohort study of residents of the greater metropolitan New York to investigate the joint roles of diet, physical activity, and genetics in the development of cancer, heart disease, and diabetes; successfully enrolled 1,200 subjects primarily Chinese Americans over a 2-year period; Funding through Beth Israel Medical Center from Academic Medicine Development Company, a consortium of major health institutions and academic institutions in New York City. Funding amount: \$171,000 over a 2-year period.
- 2000-2001 **Principal Investigator:** Breast and Prostate Cancer Prevention and Screening Study; Funding: Center for Medicaid and Medicare Services (formerly known as Health Care Financing Administration); Funding amount: \$25,000.

Past Grant-funded Community Health Projects

- 2006-2007 **Project Evaluator:** Community-Based Adolescent Pregnancy Prevention Project; Funding: New York State Department of Health; funding amount \$200,000 per year.

- 2004-2007 **Project Evaluator:** Heart Healthy Education for Chinese-American Consumers and Vendors Program; Funding: Office of Minority Health, US Department of Health and Human Services; funding amount: \$600,000 over a 3-year period.
- 2000-2006 **Project Director:** Chinese-American Partnership for Heart-Healthy Living Project; Funding: New York State Department of Health Minority Health Community Partnerships Initiative; funding amount: \$53,000 per year.
- 2002-2004 **Project Director:** The Chinese-American Diabetes Health Literacy Initiative; Funding: Pfizer Foundation Health Literacy Community Grant; funding amount: \$100,000 over a 2-year period.
- 2002-2004 **Project Director:** Chinese American Diabetes Education & Awareness Campaign; Funding: Association of Asian Pacific Community Health Organizations BALANCE Program for Diabetes; funding amount: \$48,000 over a 2-year period.
- 1999-2000 **Project Director:** End-of-Life Care Public Awareness Campaign; Funding: Nathan Cummings Foundation; funding amount: \$20,000
- 2000-2001 **Project Director:** Chinese American Diabetes Education, Outreach, & Screening Campaign; Funding: Association of Asian Pacific Community Health Organizations BALANCE Program for Diabetes; funding amount: \$15,000.
- 2000-2002 **Project Director:** Breast Health Screening and Outreach Program; Funding: Susan G. Komen New York Race for the Cure; funding amount: \$50,000 per year.
- 2000-2003 **Training Consultant/Project Advisor:** Excellence in Social Emotional Literacy Project; Funding: Community School District 2, New York; funding amount: \$12,925 per year.
- 2000-2004 **Project Director:** APPEAL Technical Assistance & Training Consortium Regional Partner; Funding: Asian Pacific Partners for Empowerment, Advocacy and Leadership Tobacco Control Program; funding amount: \$15,000 to \$18,000 per year.
- 2001-2002 **Project Director:** HIV Planning Grant; Funding: HRSA Ryan White CARE Act Title III HIV Planning; funding amount: \$50,000.
- 2000-2002 **Project Director:** Project H.O.P.E. – Comprehensive Breast Health: Inreach, Outreach, Recall, and Follow-Up Project; Funding: AVON Breast Care Fund; funding amount: \$100,000 per year.
- 2001-2002 **Project Director:** Cancer Support Program; Funding: Health Care Financing Administration; funding amount: \$24,999.
